

Sustainable Retirement Income Solutions

Is your retirement plan sustainable?

People are living longer, which means for many, the goal of having sufficient savings for retirement has become harder to reach. Meanwhile, potential spikes in inflation and black swan events such as the recent coronavirus pandemic may disrupt expected investment returns and delay scheduled retirement. In this webinar, T. Rowe Price will share the importance of flexible allocation, with a focus on seeking sustainable income and building a lasting nest egg.

Opening Remarks

Mr. George CHOW
Head of Institutions, Hong Kong
T. Rowe Price

George Chow is a vice president of T. Rowe Price Hong Kong Ltd. He is responsible for the Greater Hong Kong institutional business within Global Investment Management Services, the organization responsible for T. Rowe Price's institutional business worldwide.

Mr. Chow has 20 years of experience in investment management and business development. Prior to joining T. Rowe Price in September 2015, he worked as director of business development for five years with AXA Investment Management Asia, covering Asia institutions and providing investment solutions to institutional clients. Mr. Chow also spent 10 years in the hedge fund industry, starting from research analyst to associate in portfolio management.

Mr. Chow graduated with a bachelor's degree in finance from the University of Southern California. He has earned the Chartered Financial Analyst designation.

Speaker

Mr. Thomas POUllAOUEC

Head of Multi-Asset Solutions, APAC

T. Rowe Price

Thomas Poullaouec is the head of Multi-Asset Solutions, Asia Pacific, in the Multi-Asset Division of T. Rowe Price. Mr. Poullaouec and his team engage clients and prospects in the Asia-Pacific region in consultative discussions to identify how T. Rowe Price can best meet their investment needs and objectives through the firm's broad equity, fixed income and multi-asset investment capabilities.

Mr. Poullaouec has 18 years of investment experience. Prior to joining T. Rowe Price in 2017, he was most recently managing director and regional head for strategy and research within the Investment Solutions Group for State Street Global Advisors in Hong Kong. Prior roles at State Street Global Advisors included regional head of portfolio strategists in Asia, with a primary focus on multi-asset and currency strategies. Earlier in his career, he was a product specialist for asset allocation at BNP Paribas Investment Partners in Paris and Hong Kong.

Mr. Poullaouec earned his diploma of actuary from the University of Western Brittany at the Euro Institute of Actuarial Studies and is a fellow of the French Institute of Actuaries.

Facilitator

Ms. Hayly LEUNG

Member of Executive Committee, HKRSA

General Manager, Group HR Services

Jardine Matheson Limited

Hayly Leung is the General Manager of Group HR Services in Group Human Resources of Jardine Matheson as well as the HR Director of Jardine Pacific.

Hayly provides guidance and support across the Jardine group companies. She plays a key role in developing HR policies and in formulating HR strategies for mergers and divestments. She also drives the transformation of the people agenda in Jardine Pacific.

Prior to joining Jardine Matheson, Hayly was the Group HR Director of Jardine Schindler Group. Before that, Hayly held various VP positions in HR in BT Group plc, one of the world's leading telecommunications companies, with management responsibilities across Asia Pacific and Europe.
